

MULTIPLE EMPLOYERS ONE ORGANIZATION

West Virginia University Health System staffs our facilities with physicians, faculty, and providers in two ways — through WVU Medicine and University Health Associates. Explore open positions below.

University Health Associates

UHA Physicians, Faculty, Advanced Practice Providers and Licensed Professionals

University Health Associates (UHA) is a private, not-for-profit corporation composed of clinical faculty members of the WVU School of Medicine and School of Dentistry, and also advanced practice providers and other allied health providers. The organization is West Virginia's largest multi-specialty physician practice. UHA operates and staffs clinics and hospitals throughout West Virginia and surrounding states.
